“New Experiences”

Eagle / 83
Hinds Junior College
Raymond, Miss.
Editor / Amy Sparks
Advisor / Bob Hodges

The seasons have changed and we've learned many new ways to improve our lives. At Hinds we had the chance to reach new heights and to soar over higher mountains through new experiences.

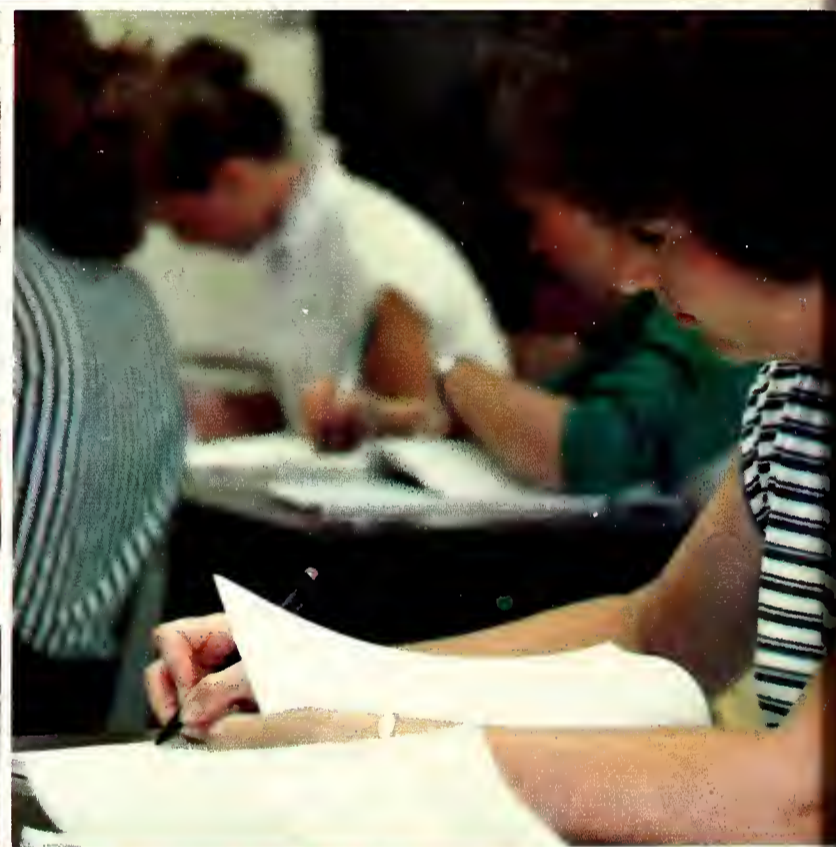

We made new friends because friends make college fun. We shared the happy times, sad times, and the quiet times together. College friends we always remember and their friendships we always treasure.

By studying, going to classes, and learning together we discovered new adventures in classroom learning, and sometimes even managed to enjoy it. However, there were times to remind us of the College's commitment to educate us, when homework and tests came our way.

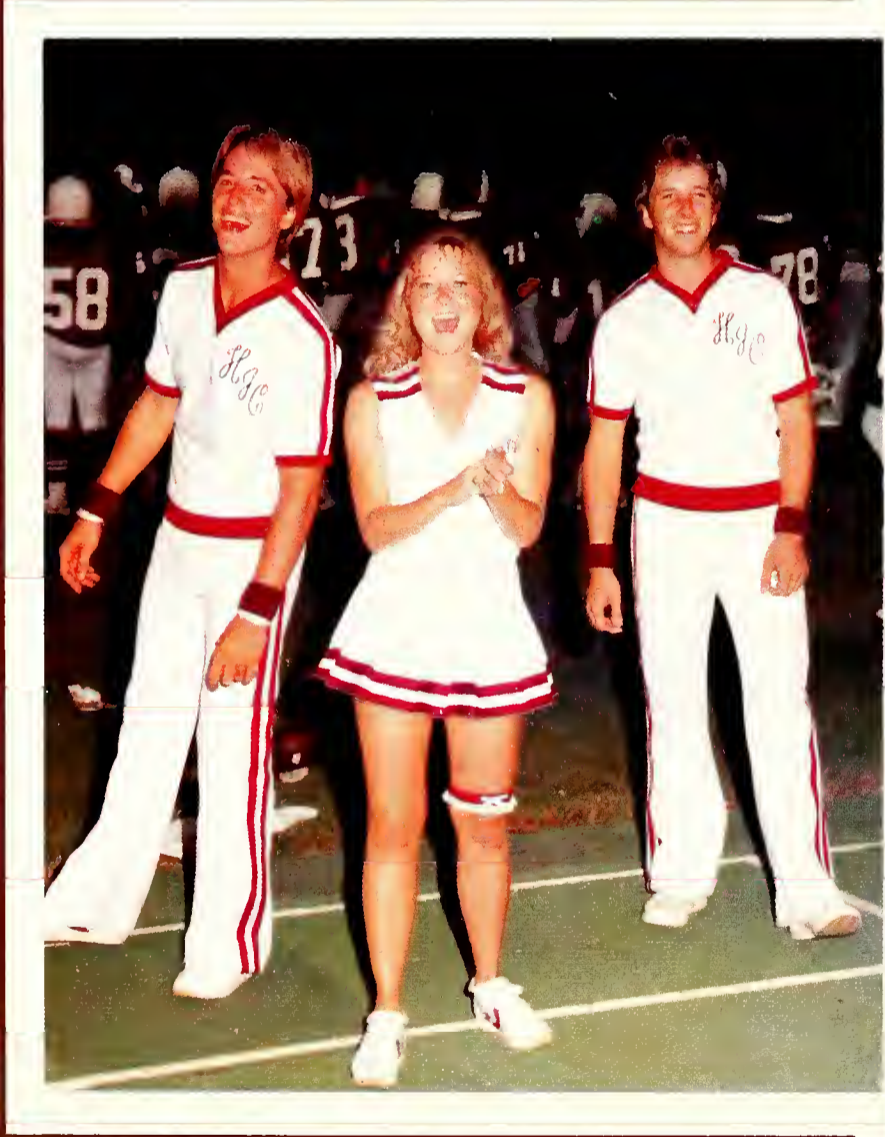

Togetherness is a way of life. No one can stand alone in greatness, it takes teamwork to bring us all together. We found working together by joining our spirits can make things happen.

In the performances we participated in, our pride shined through the work and preparations we endured. Together we gave our all and succeeded in becoming outstanding. At Hinds we are known for taking the first step and putting our best foot forward. In this, we achieve a standing comparable to none.

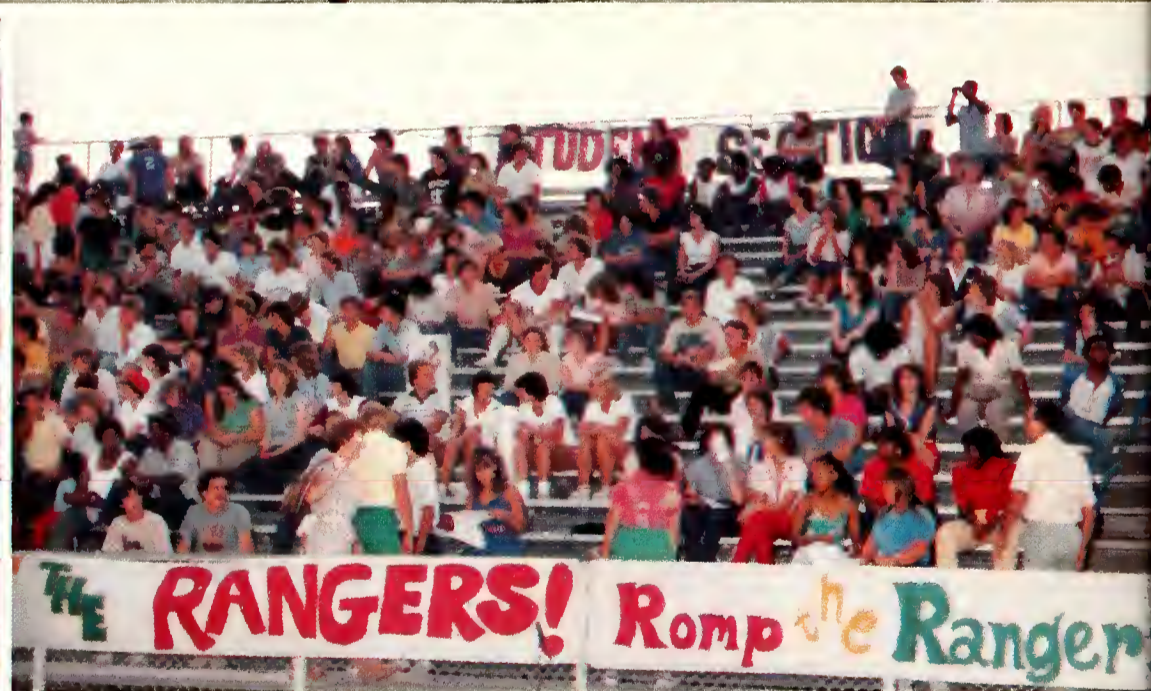

Events highlighted our school year and showed the real talents we possess. Homecoming, plays, Arts Feast, and programs gave us freedom from the pressures of college life. These events we enjoyed and commended because they were very much a part of us.

We became involved by giving our support to others when they presented themselves in performances or events. This spirit of unity showed them we cared and we would stand behind them when they needed us to do so.

If ever we walk down memory lane,
To see what we have, if in life we've gained,
will we remember the times we shared
together?

The good times, bad times, happy times, and
the
sad times.

From early each September to late each May,
we will cherish the memories that filled each
day.

The friendships we formed here
will be long and binding,
although our road ahead is long and winding,
we continue to pursue our dreams
and go our separate ways.

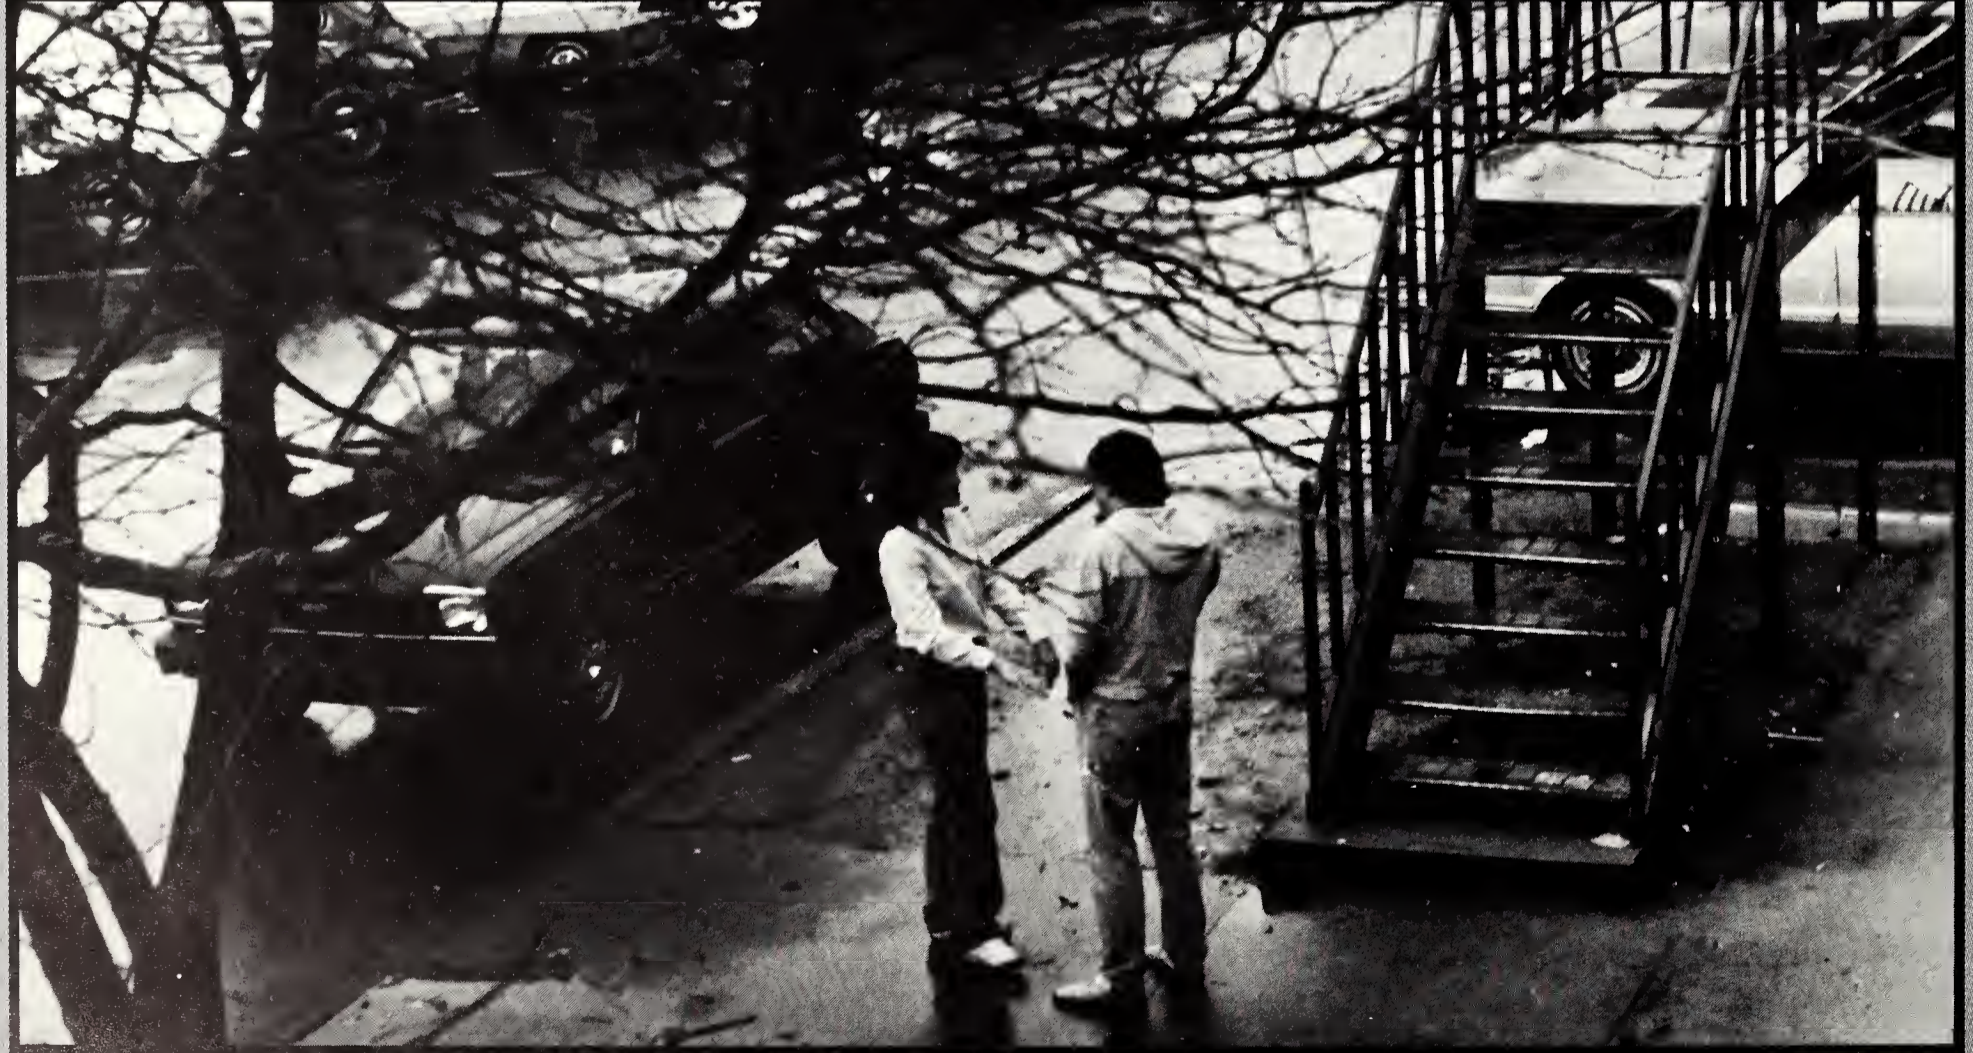

Dedication

Charles and Alice Walker

The members of the 1983 Hinds Junior College yearbook staff proudly dedicate the 1983 Eagle to a very dedicated couple. They have not only served Hinds Junior College for many years but have also been host to most of its faculty and staff. It is because of their true dedication to the college and its family that we would like to dedicate this yearbook to Charles and Alice Walker.

The Outlook

Activities and special events provide a break from the pressures of classes and homework. They also teach us the meaning of working together to have fun.

In competing and enjoying these events together, we realized they are an important part of college life.

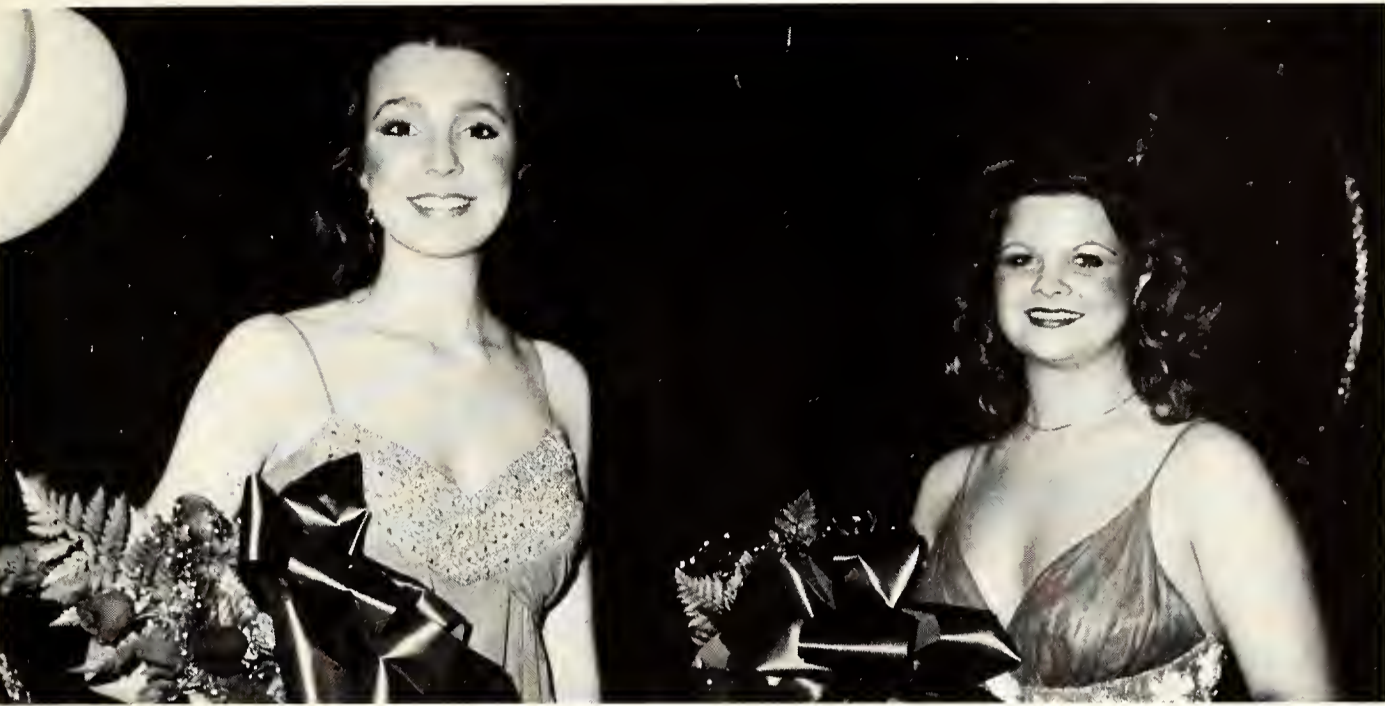

Miss Hinds Pageant

The Miss Hinds Pageant is sponsored each year as a preliminary for the Miss Mississippi Pageant. Competition consists of swim suit, evening gown, talent, and interview.

Laura Carleton was the third runner up in the Miss Mississippi Pageant.

Registration

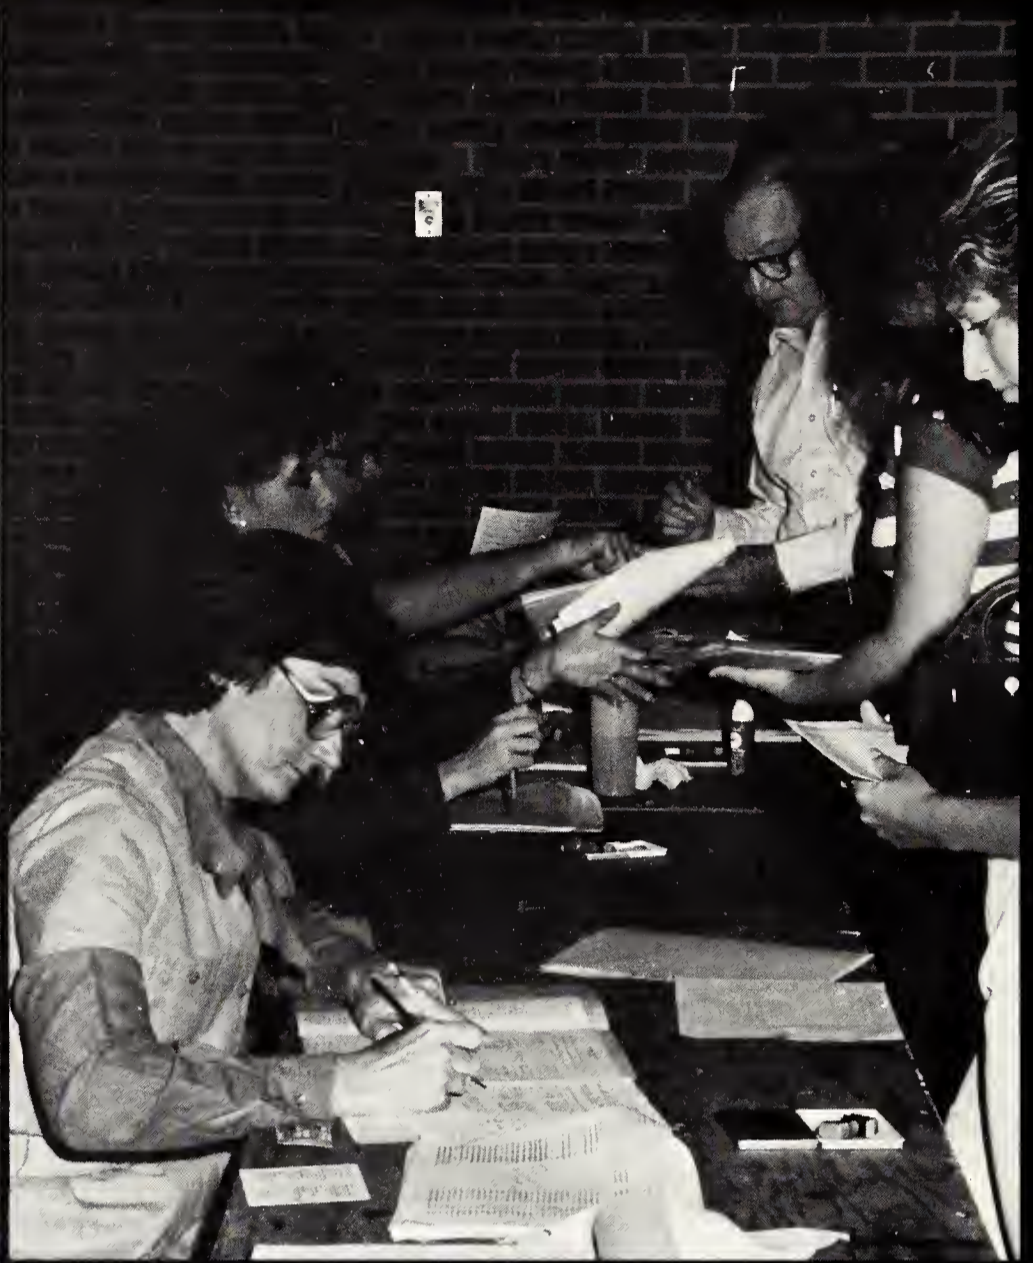

Registration. Just the thought of it sends terror through the heart. For the returning students, they knew what was in store for them. They were prepared to wait in line for what seemed to be hours on end. They were dreading the task of completing all the stations that were ahead, and the fear of classes closing out at the last minute.

Freshmen who were looking forward to the new activities of college life, soon found out that the busy, systematic way of Hinds registration could change their outlook to a more monotonous tone.

Students who were planning to purchase textbooks would have to wait in another long and endless line at the Campus Bookstore.

After the schedules had been filled, and the textbooks and materials had been purchased, only a few days remained until the classes began.

Registration played a small part to prepare for the start of a studious routine.

Open Dorm

Open Dorm is held several times throughout the year. Only under close supervision are visitors allowed to visit the rooms.

Open Dorm takes away the monotony of college life in residence halls. It gives the students a chance to forget about the pressures and problems of classes for a while.

Campus Changes

Many campus changes were done this past summer with the opening of two new dormitories and the new road work done on the new entrance to the campus. This included new roads, sidewalks, and new street lighting around the campus. The Rankin County Branch also began construction on its facility in Pearl.

New college entrance from Hinds Blvd.

12:00 noon	Alumni Association Business Luncheon	College Cafeteria
2:00 p.m.	Hinds vs. East Central Homecoming Football Game	Eagle Stadium

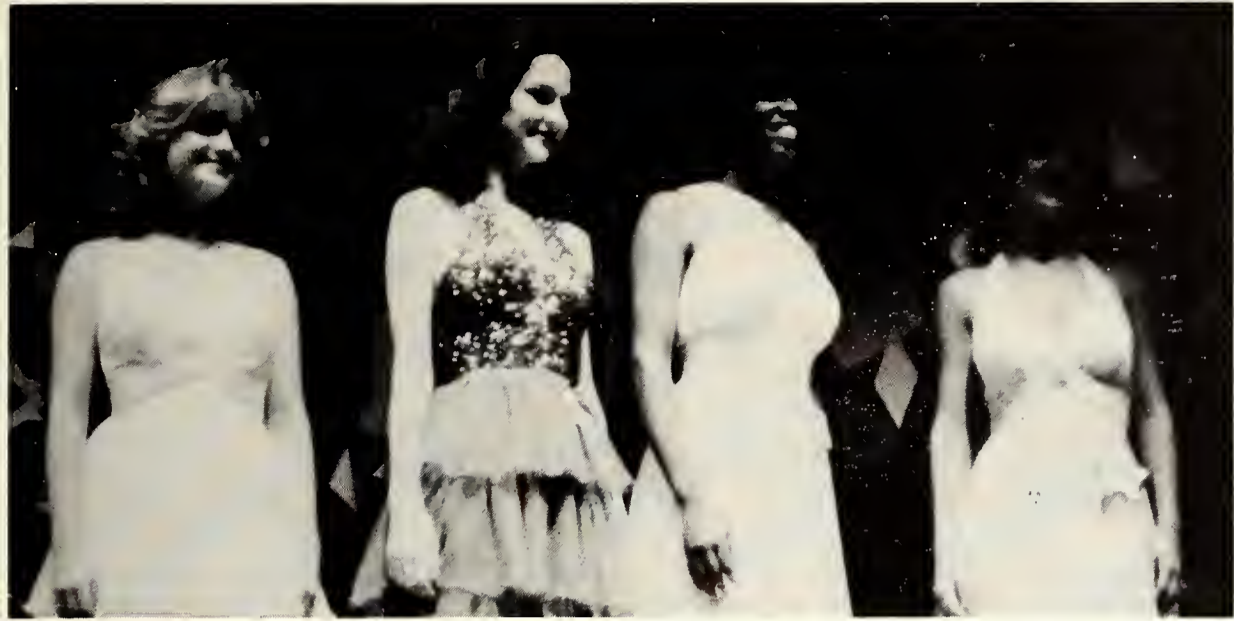

Beauty Pageant

A total of 68 Hinds beauties participated in the 1982-83 Beauty Pageant sponsored by The Eagle. Becky Morrow was named Most Beautiful at the end of the ceremonies. Other contestants ranking in the top four were Penny Anderson, Kim Booth, Kathy Bullock, and Becky Thomas. The pageant director was Mrs. Anna Bee. The assistant director was Bob Hodges.

TOP FIVE BEAUTIES — Rebecca Thomas, Kim Booth, Rebecca Morrow, Kathie Bullock, and Penny Anderson.

Halloween

A carnival is held each year around Halloween. Clubs and organizations participate by setting up booths to raise money.

After the carnival was over, the movie "Rocky Horror" was shown.

Hi-Stepper Formal

Choir Christmas Program

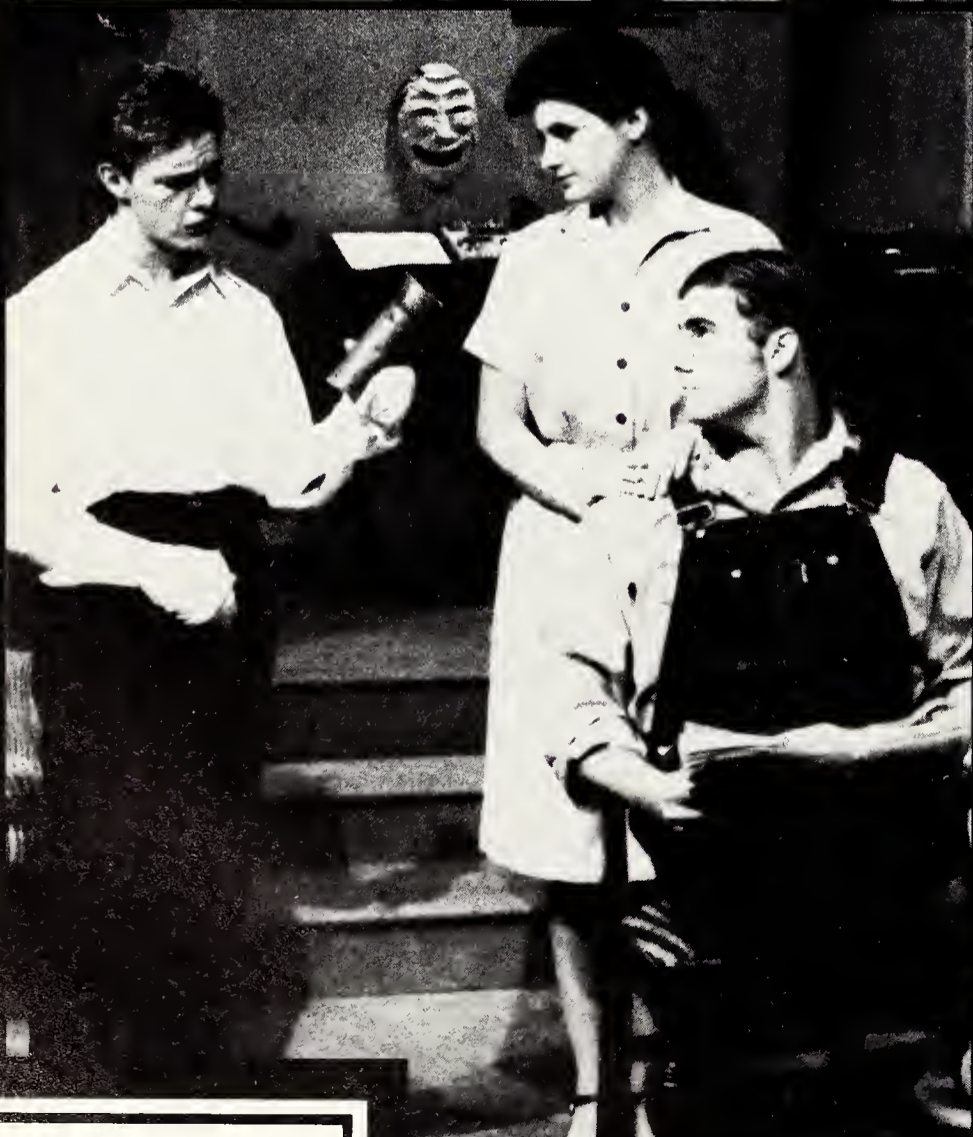

The Hinds Choir presented their annual Christmas program on December 7 and 8 in the Cain Auditorium. "An American Christmas," was the theme for this year's program. The choir performed many traditional songs and Christmas carols. The choir is under the direction of Leslie and Geneva Reeves.

Lendon Players Fall Play

The Lendon Players presented their fall play "You Can't Take It With You" the week of November 8-12. It was set in the year 1936. It was about a family who enjoyed life by doing what made them happy. They had various hobbies ranging from ballet to making fireworks. Money was not important to them because it could not make them happy, and being happy was the most important thing in their lives.

Dances

1982 3E Awards

3E AWARD WINNERS — Dr. Clyde Muse presented Alice and Charles Walker the 1982 3E Award.

Mike Hataway was presented the award for being the 1982 Outstanding Vocational-Technical Instructor of the Year.

Tom Sheperd was named the 1982 Outstanding Academic Instructor of the Year. He was presented a plaque by PTK President Suzi Davis.

Leslie Reeves was named the 1982 Distinguished Faculty Member Award.

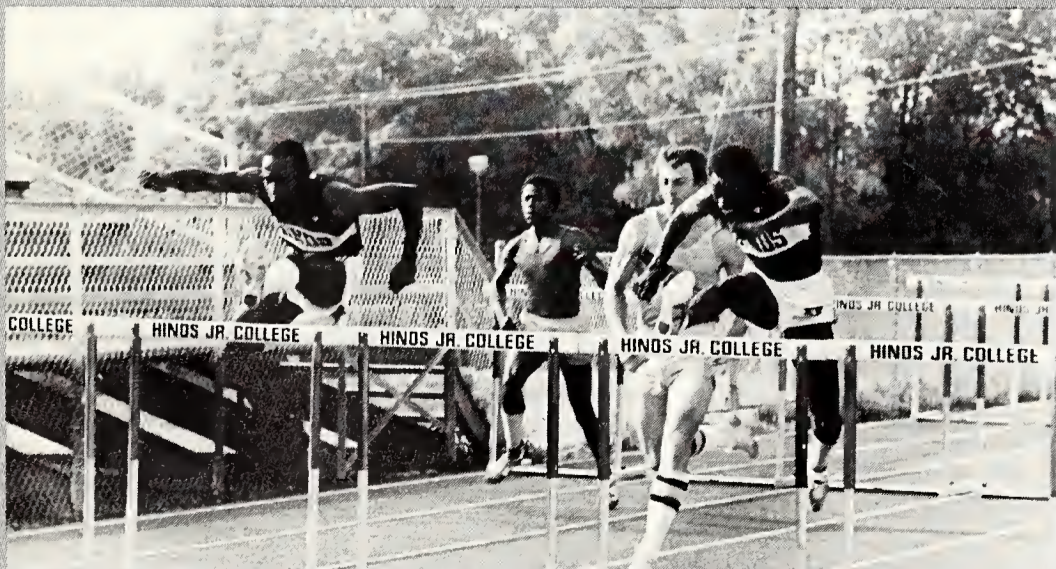

Spring Festival

The Sports Action

Hinds Junior College offers a variety of sports. Varsity sports include football, basketball, baseball, tennis, track, softball. Other sports are offered for students interested in playing intramurals. Hinds also has a golf course and lake that is for use by students and the public.

The Impressions

Inside

The impressions of Hinds came to us in many ways this year. We had such things as the crowning of our Homecoming Queen and our representative Mr. and Miss Hinds. We also learned who were our favorite people on campus and who the beauties were.

The impressions of this school year will linger on in the years to come.

The People

When most people think of college, they tend to associate only the physical appearance of the buildings and grounds. But the tangible elements alone are not what makes up the college.

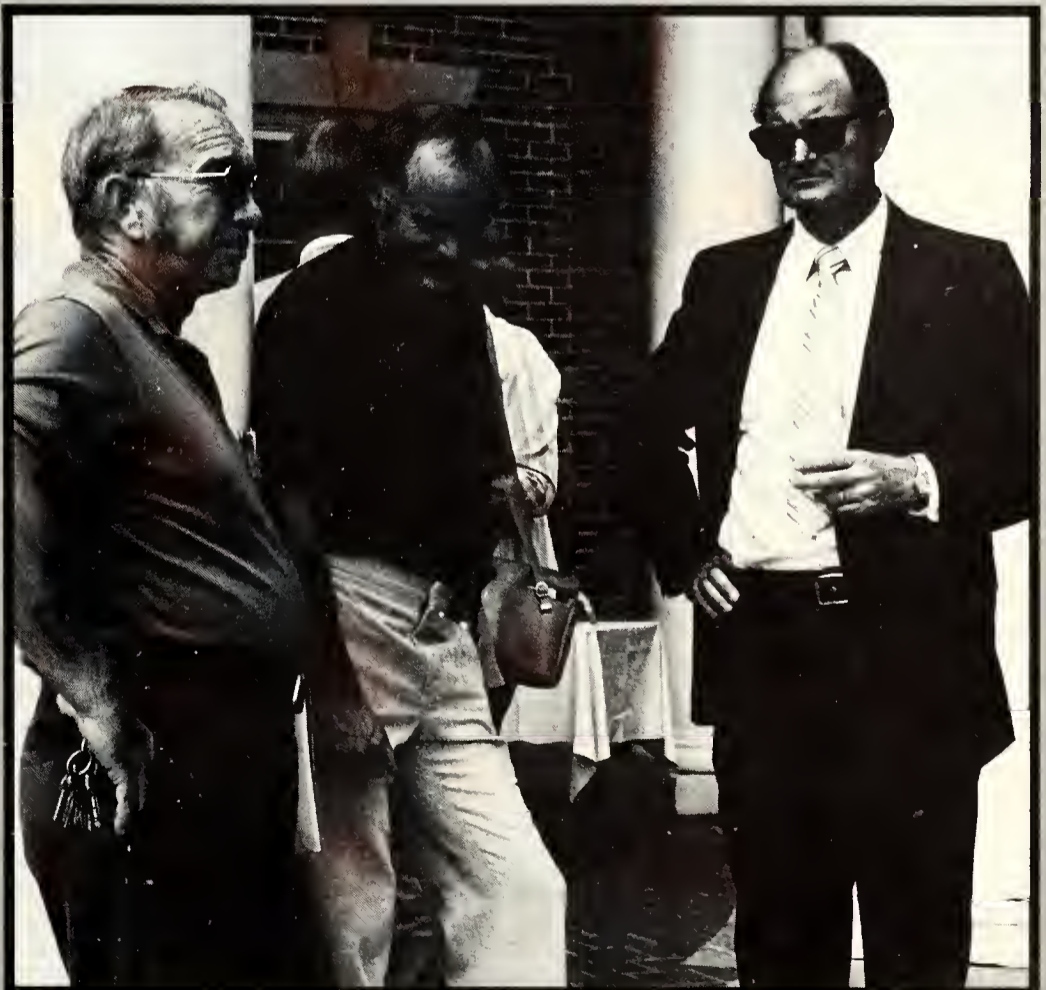

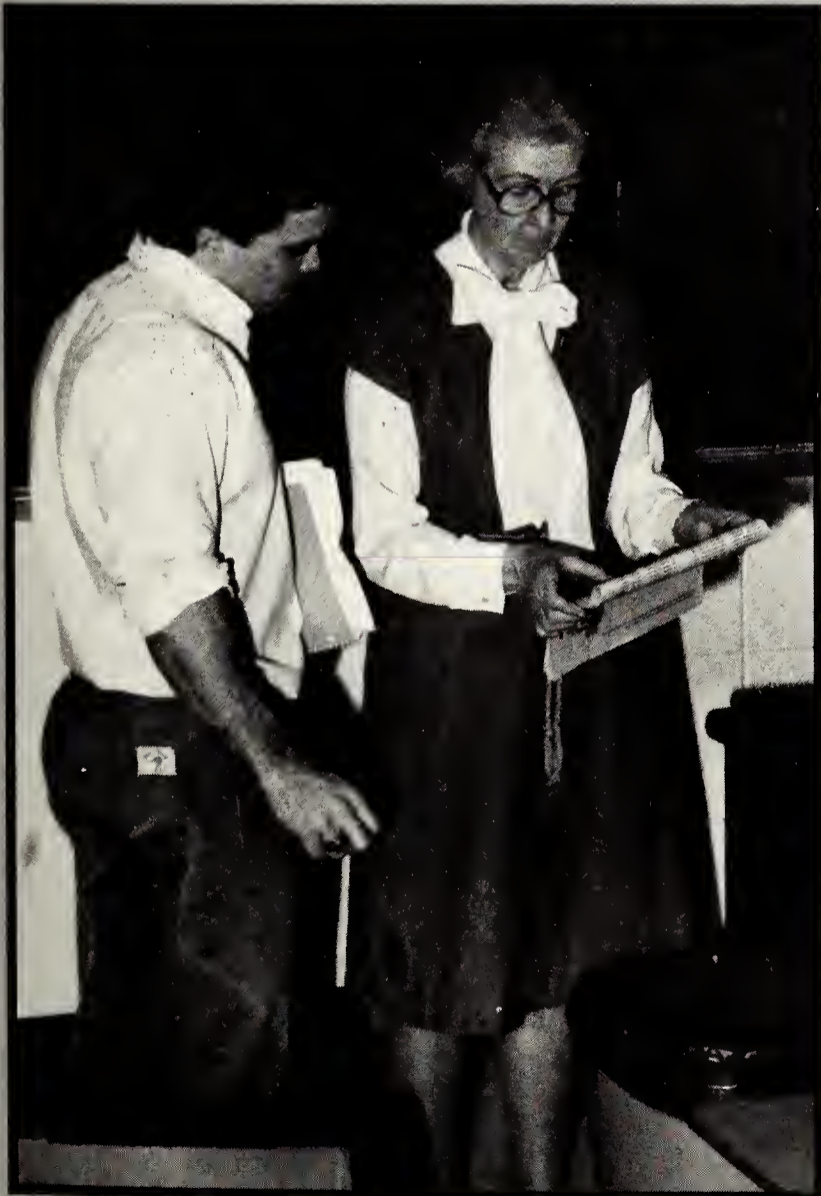

College is people. It consists of students, teachers, and

staff members working together to reach educational goals. College is the anxieties and problems over classes, grades and deadlines. But it is also a way to gain new friends and insights; to find yourself and prepare for the future.

Board of Trustees

Playing an instrumental role in the progress of the Hinds Junior College District, the 15-man Board of Trustees give freely of their time and wisdom to the needs of the college and share an insight into a more progressive future for Hinds. The Board members represent Hinds, Rankin, Warren, Claiborne, and Copiah Counties.

TED H. KENDALL, III — PRESIDENT

President Dr. Clyde Muse

Dr. Muse and his grandchildren at Homecoming activities. At left is Prentiss and at right is Jennifer.

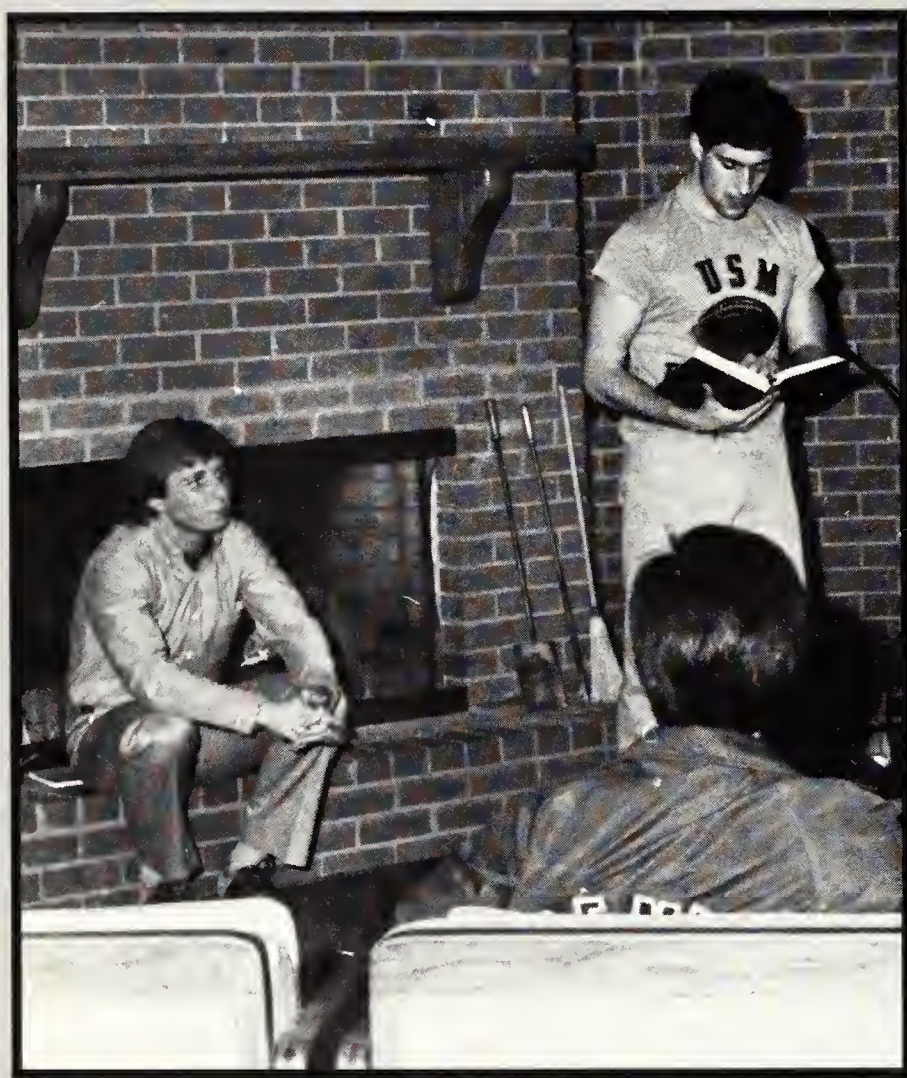

Vashti and Clyde Muse
Hinds First Family

Dr. Clyde Muse was named the "Alumnus of the Year" at Delta State University this year and received the award from Alumni Affairs Director Hugh Ellis Walker.

The Involved

Most of the students at Hinds are involved in some type of organization. It may be a club pertaining to their major field of study, their academic standing, or an extracurricular activity that they enjoy participating in.

Clubs take away the monotony of classes and let students have the opportunity to become active and be a real part of Hinds.

The Amusements

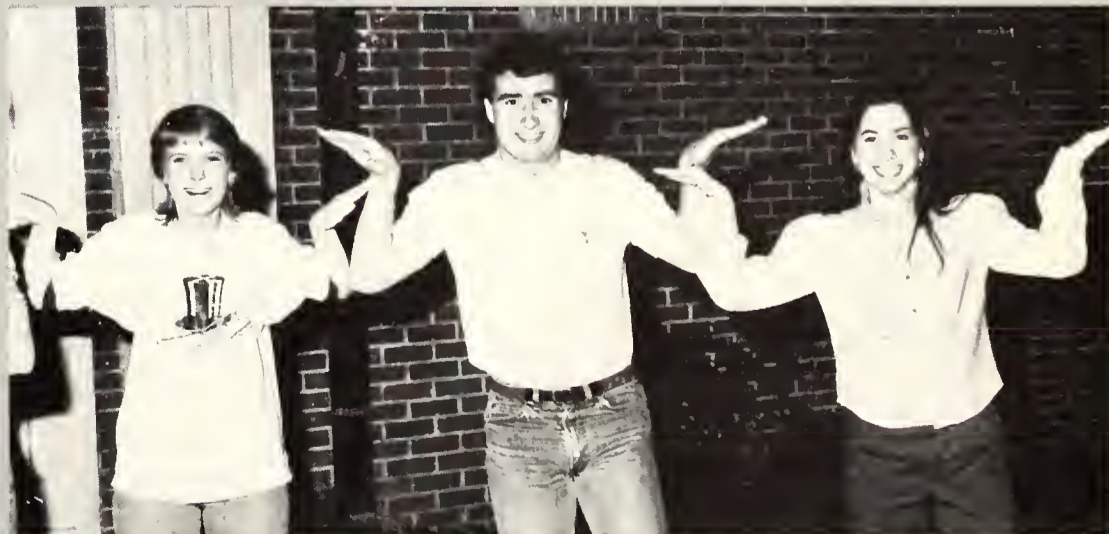

Ah — the frills and crazy times of college life. They never told us such happy times could exist, we were only prepared for study, study, and more studying. Much to our surprise we found studying only a part of college life, and fun to be another big part of college life. Students need a way to release the pressures of classes, homework, and tests, and here's how we did it.

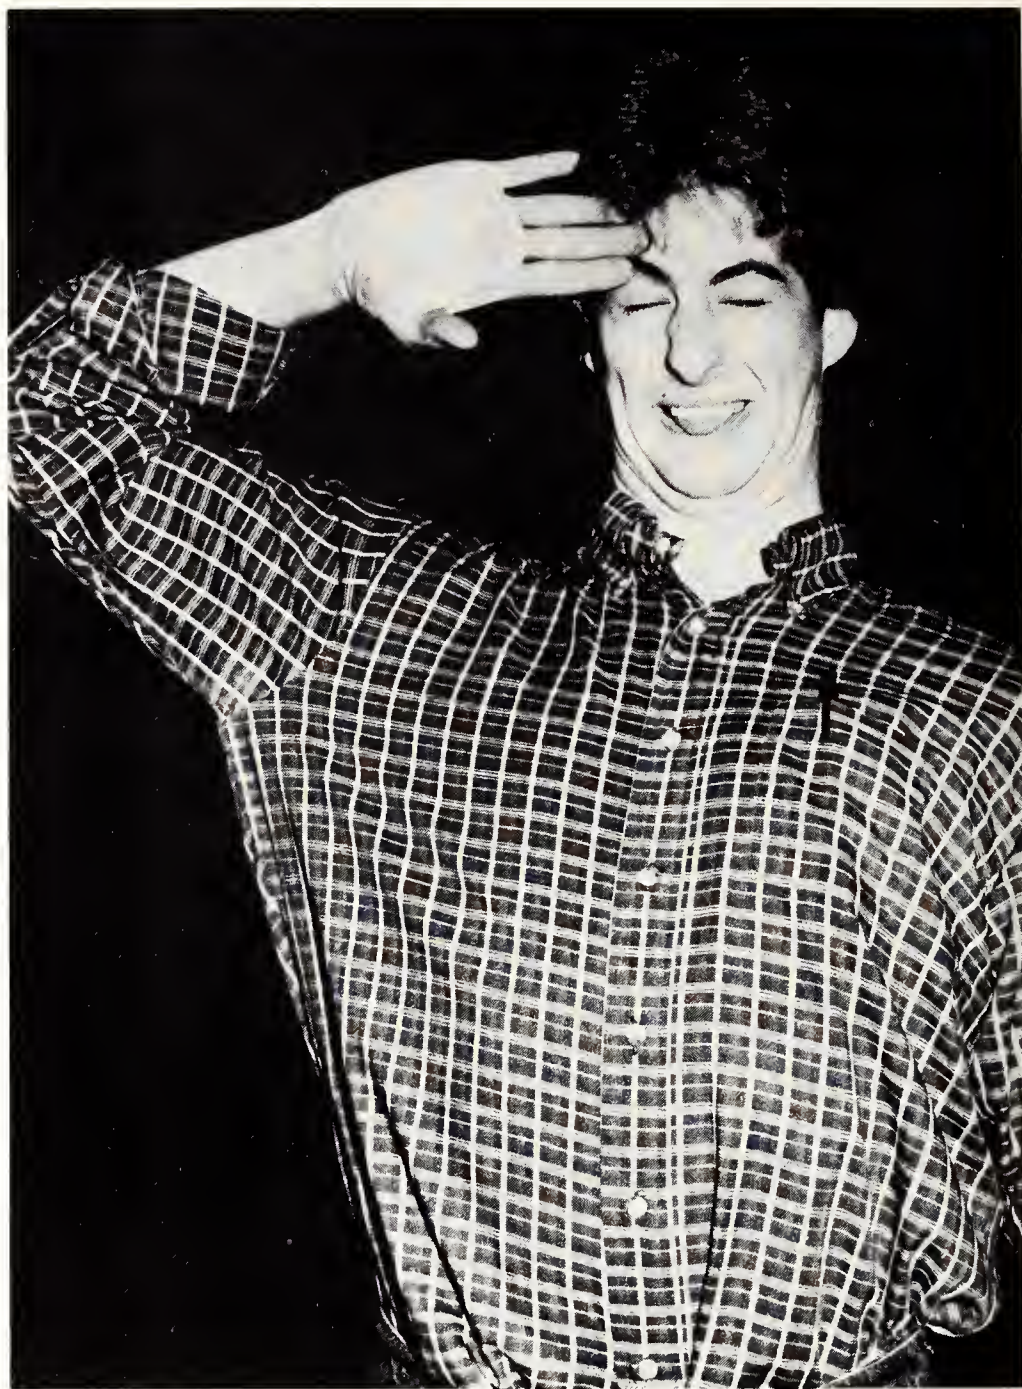

Contents

Fun 280-289

HJC's Very Own Benny Hill

He's very patriotic.

He writes his own material.

Women crave his body.

He's very athletic in football

and volleyball.

He's very flexible.

But the best of us must fall. (Sometimes, even on sprinklers).

I knew we would get sick if we ate here.

HJC Gigolos.

Oh, I'm just hanging around.

This follow-the-leader is for the birds.

Net walking 101.

Yes E.T., this is home.

Yes, you are going out with me!

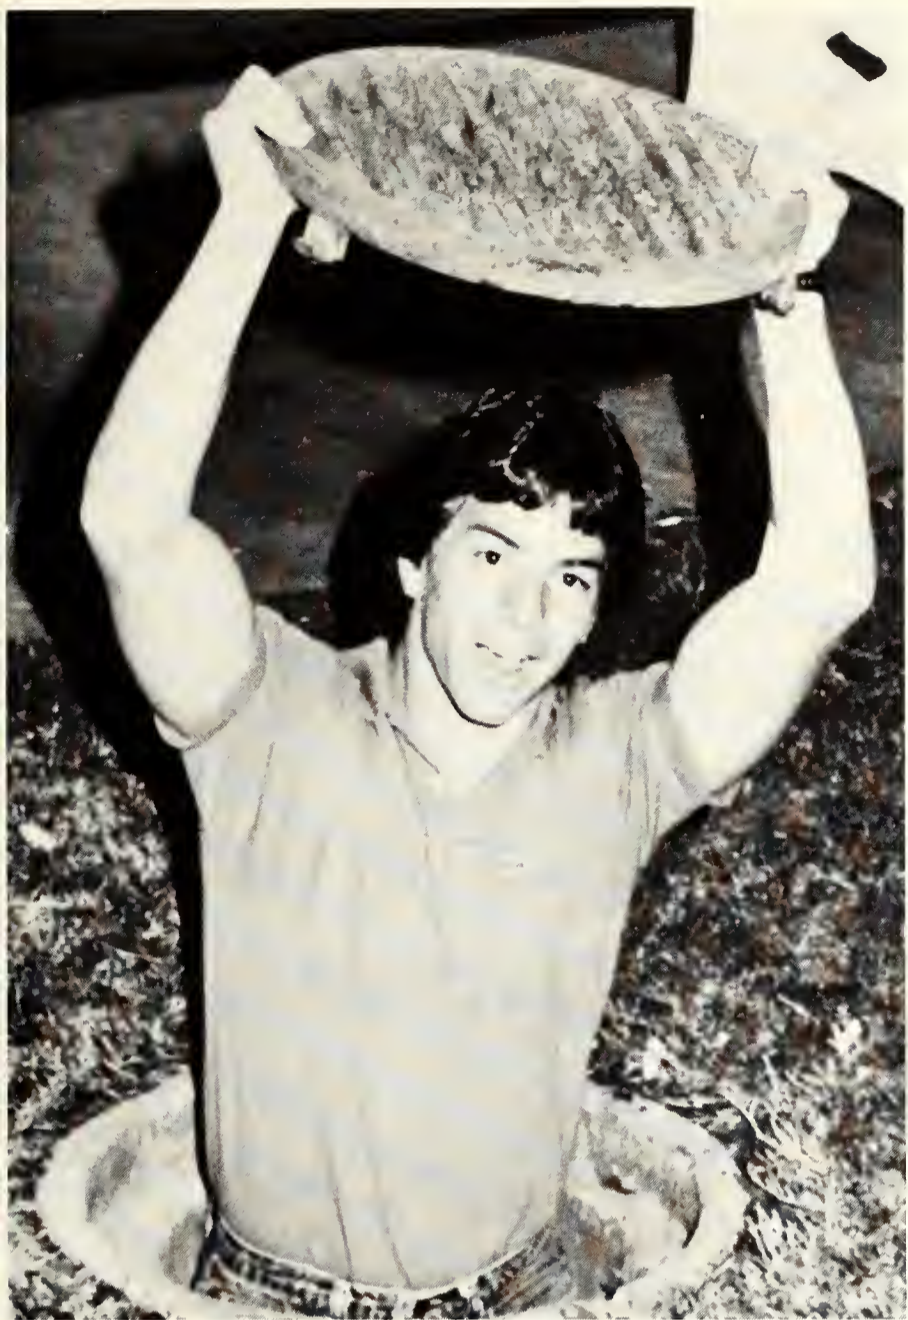

My mouth is stuck!

Nice to see ya, Loboda.

I have another pair just like these.

I'm your helpful hardware man.

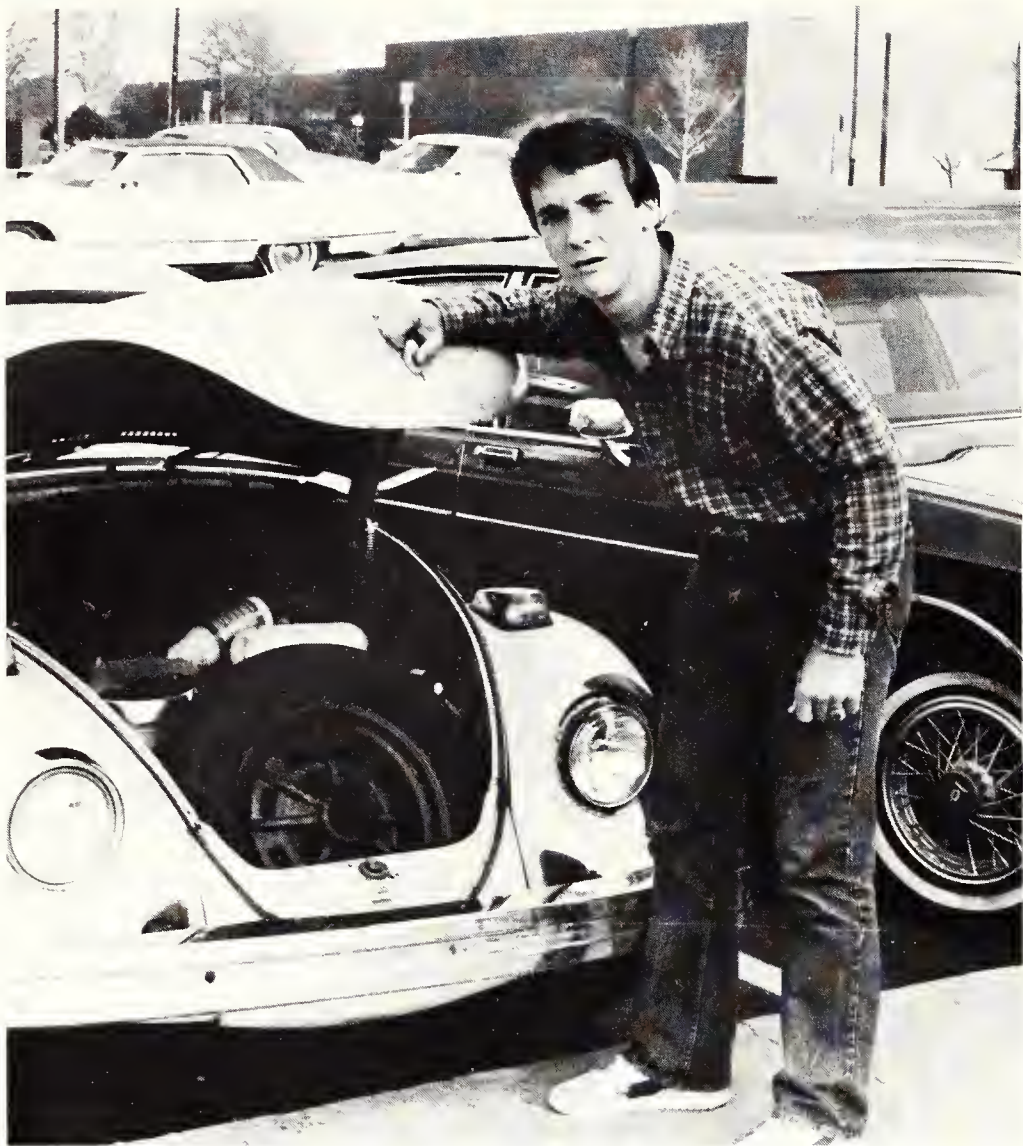

Now that I dug this hole, what do I do with this little white ball.

I want an "A" Mr. Beemon!

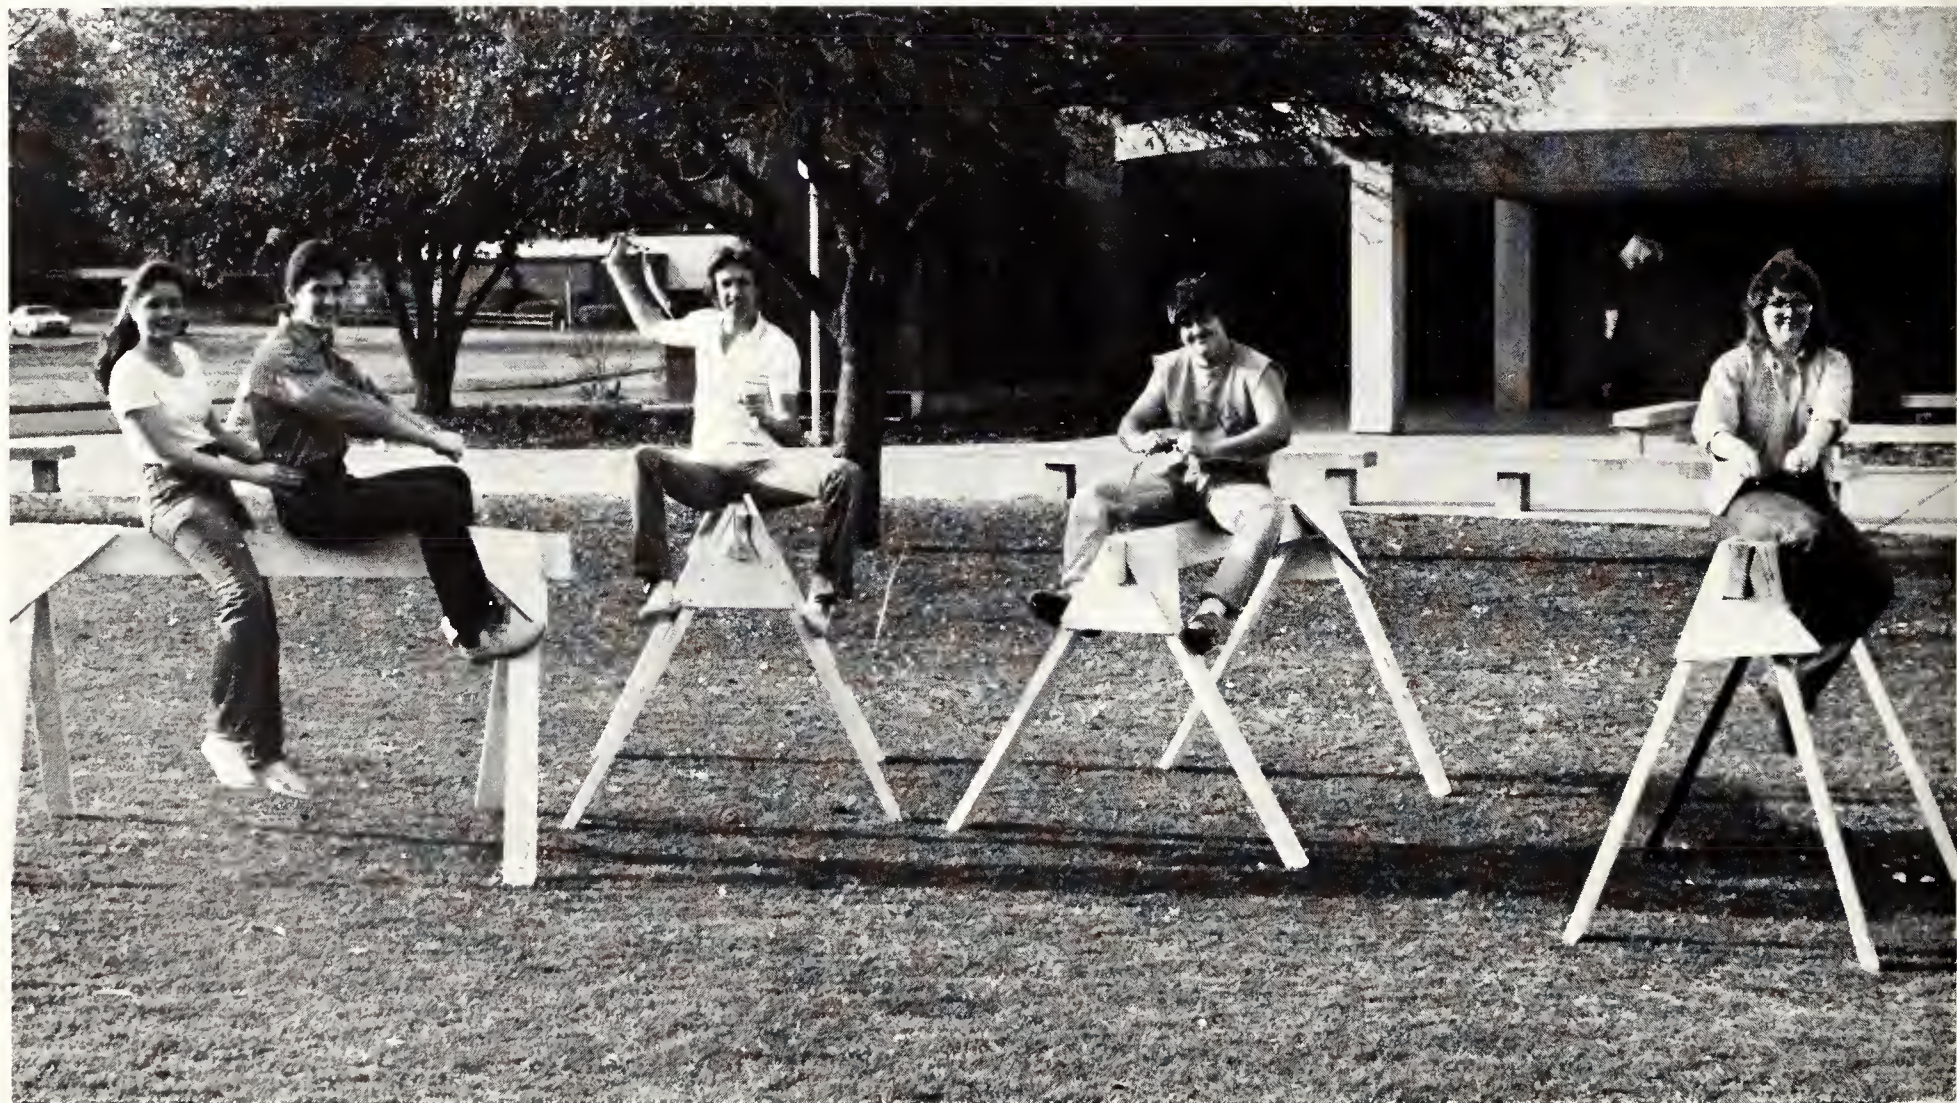

HJC light bulb changer.

No wonder this car was so cheap. It doesn't have a motor.

Boo!!

HJC Horseback Riding Class

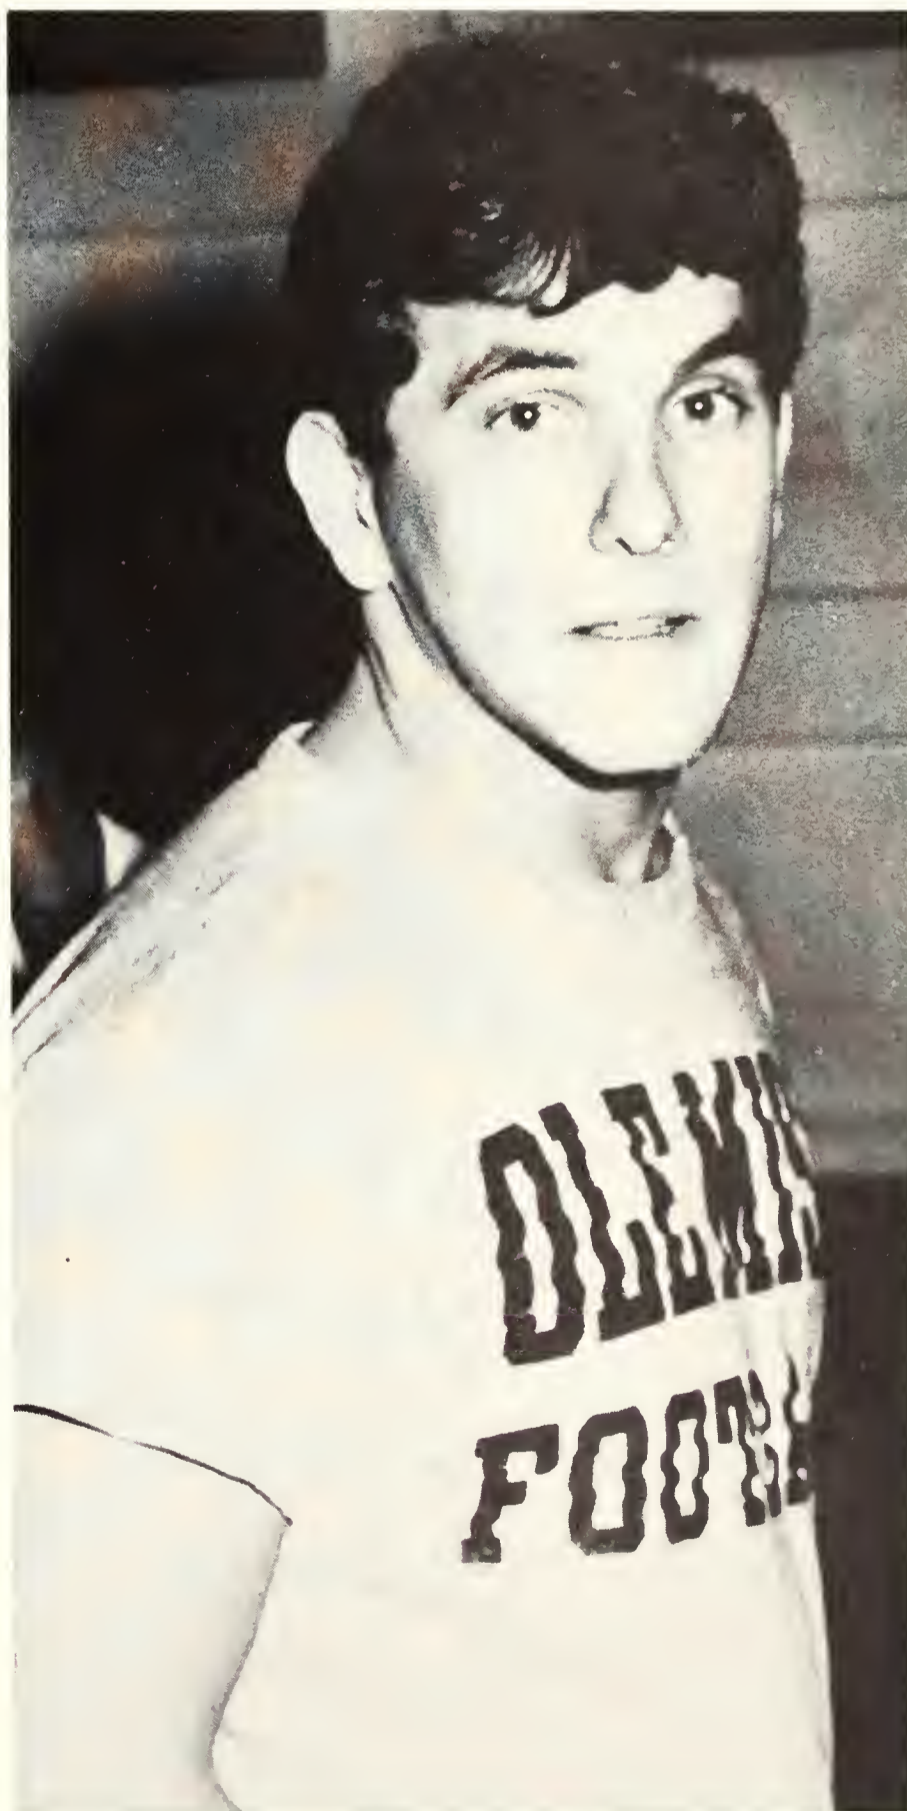

Well, there goes another class I don't have to teach today.

School closed due to lack of interest.

I was up until 4 o'clock studying for a test.

I'm looking for Steve Sloan.

Editor's Message

Am I glad this year is over? Do I miss the times I spent working on the Eagle? Fat chance! It's so lonely at the top, you know. I bet half the country songs written about long, lonely nights must have been written by former yearbook editors who decided there was a better market for their services.

What? Am I gonna be next year's editor? You've got to be joking! Why, that's the funniest thing I've heard in two years, except for the time Bob Hodges said "You've got the job as yearbook editor." Thanks a lot Bob!!

Well, to be serious, I guess it wasn't that bad. Working as the yearbook editor has its good times and bad times. The bad times were probably those late nights, and early mornings I spent the week after the final publication deadline, worrying about trying to finish the layouts so you fortunate people could have a yearbook before school ended this spring.

The good times were the times I spent meeting new people, attending numerous events, and watching students and faculty become involved in activities together like one big HJC family. I'm glad I was the one able to make a "scrapbook" of these memorable moments.

I would like to express my heart-felt thanks to my small but faithful staff. Here's to Vickey, Joe, James, and John. I couldn't have made it without you guys. Also, I'd like to say a special thank-you to my advisor, Bob Hodges. Thanks for being patient (?) with us and for all your help.

It's been a long year in reality, but it seemed to fly by because of the times I spent working on the yearbook. Through it all, I complained often, but I wouldn't trade those times for the world.

I sincerely hope you enjoy this year's Eagle.

Amy Sparks

Editor
